

# The Early Childhood Conference

A Spectacular Virtual Experience

## FEATURED PRESENTER

### Cody Summerville

Cody Summerville is the Senior Content Expert at Hatch Early Learning. He is responsible for executing content strategy and development aimed at leveraging the power of developmentally appropriate educational technology to support whole child development. Before joining the team at Hatch, Cody served as Program Specialist at the Texas Education Agency overseeing the Preschool Development Grant Birth-Five and providing technical assistance to school districts to support quality improvement in prekindergarten – 2nd grade. Throughout his career, he has served as a trainer, consultant, and kindergarten teacher. He currently serves on the board of the Texas Association for the Education of Young Children.
