

# A FANTABULOUS LIVE! Celebration of Music & Movement for Early Childhood Educators!

## FEATURED PRESENTERS

### GREG & STEVE

Greg & Steve's music says "Let's Move"! With high energy, participatory songs for children, Grammy nominated Greg & Steve have been entertaining kids, teachers, parents and grandparents alike for over 30 years! Their singable lyrics and catchy melodies set to contemporary beats (blues, country, rock & roll, and reggae) provide a fun way to encourage movement and promote healthy motor development. Greg & Steve's music also reinforces basic concepts, encourages social-emotional development, and addresses multicultural/diversity issues and environmental concerns. Music is a powerful tool for language and literacy growth and Greg & Steve make learning fun!

The creators of the "We All Live Together" series are often invited to be keynote and workshop presenters at early childhood conferences. Their concerts are family friendly, curriculum supportive, and a field trip favorite. With delightful kids' songs like *Friends*, *The World is A Rainbow*, *The Chicken Dance*, *ABC Rock*, and *The Number Rock*, it's easy to see why their music is requested again and again.

The first children's music duo to have two sold out shows at Carnegie Hall, have combined their experiences in the classroom with their expertise in the music industry to create quality educational music. Greg & Steve's award winning music has become a staple of both the early childhood classroom and the family living room, and is considered a must have for children with special needs and children on the autism spectrum.
