Impacting Your Bottom Line

Childcare Products & Classroom Supplies

- Using Discount School Supply, child care programs and family child care providers **save 20% every day**.
- Through a special negotiation made on behalf of providers, Staples Advantage offers gloves at an exclusive rate of **\$3.79 per box**, saving providers hundreds of dollars per year on this essential product.

Payroll Processing

- Using ADP Payroll and HR Services program, several family/home-based child care providers with only one employee are **saving \$600/year** on payroll and tax reporting.
- A business with thirty-five employees using ADP Payroll Processing **saves \$1,200/year** using our discounted programs.
- Family/home-based child care providers with only one employee **save \$900/year** on worker's compensation insurance.

Facility & Operations Products

- A business with a 10,000+ sq. ft. facility and one acre of grounds spent an average of \$720/month on industrial supplies, tools, and safety equipment. They **saved \$1,426 last year** with our program.
- A multi-site program saved approximately **\$1,700 in six months** just by purchasing their cleaning and safety products through the Grainger program.

Office Supplies

- A business spending \$9,000 a year on office supplies, restroom and kitchen paper supplies, ink and toner is **saving 13% or \$1,233/year**, through our office supplies program.
- Average savings through the Staples Advantage program is **17%**.

Food & Beverage

- A child care program serving 200+ children with an annual food and beverage budget of \$100,000 realized a **savings of \$26,000/year**, or just about 25%; enabling them to buy more fresh food and healthier items.
- A child care facility serving 170+ children with an annual food and beverage budget of just under \$85,000 was able to **save \$24,000/year**, or about 25% of their budget.
- A child care center with a budget of \$8,000 to serve 120 children was able to **save 17%, or \$1,360/year**.

Wireless Services

- A business with 15 employees spends on average \$795 per month for wireless services. With our programs, this business is **saving \$140/month or \$1,680/year**.

"We have also seen incredible cost savings for our members. One program saved \$26,000 by switching to FoodSource Plus. Another is saving \$200 every month by switching to the site's credit card processing vendor."

ECE Shared Resources is a great program for our members!"
