

Ohio Early Childhood Conference | April 23-25 | Sandusky, OH

Friday, April 24th & Saturday, April 25th – High Scope Sessions

Friday April 24th

1:00 PM - 2:30 PM

Group Times for Infants and Toddlers- High Scope©

Participants will be provided with the elements of HighScope© Group Time with Infants and Toddlers. Participants will gain adult-child interaction strategies to support infants and toddler during Group Time using materials and music & movement in a predictable; yet, flexible daily schedule.

3:00 PM – 4:30 PM

Data Driven Coaching: Using Child Assessment to Inform Professional Learning- High Scope©

Ever feel as if your teachers are simply collecting child assessment data because it's a requirement and then promptly forgetting about it until family conference time? This session will explore coaching strategies, techniques, and support systems to be implemented at the classroom level in order to assist teachers in using child assessment to drive instruction. Join us as we uncover ways to demystify data for our teachers and develop coaching plans that are individualized to be the "right-fit" based on their own knowledge and motivation to change. With the goal of increasing child outcomes, this session will focus on how coaches can build capacity within their educators as they partner together to explore best practices within the field of early childhood.

Saturday April 24th

8:30 AM - 10:00 AM

So, Is this Problem Solving? - High Scope©

Conflicts inevitably arise between children in the classroom, and these situations provide excellent learning opportunities to teach conflict resolution and problem solving. This session will help participants understand and recognize children's different perspectives in conflict situations and use HighScope's six steps of conflict resolution.

1:00 PM - 2:30 PM

How Does Play Become Meaningful? - High Scope©

Participants will be introduced to HighScope's Plan-Do-Review Process and learn how to implement it into the daily routine to make work time more intentional and meaningful.
