## Lance Reed

**Lance Reed** is a prominent figure in the early childhood education sector, particularly in Detroit, Michigan. He is the Head Start Program Director at The Order of the Fishermen Ministry (TOFM) Head Start. He also serves as an Early Childhood and Assessment Consultant at HighScope Educational Research Foundation. Lance has both a Bachelor's and Master's degree in Early Childhood Education and Educational Leadership and over a decade of successful experience in encouraging and nurturing individuals and organizations that aspire to deliver high-quality early childhood experiences. Lance specializes in early childhood development and regularly presents at local and national conferences to showcase new resourceful, individualized, and diverse ideas. Lance enjoys teaching and guiding others who have the same passion to work with young children and their families.

Conference Session

Friday, April 24

3:00 PM-4:30 PM

So, Is This Problem Solving?
