Rozlyn Grant brings over 19 years of experience in early childhood education to her role as a Conscious Discipline Certified Instructor. She has experience in teaching, administration, coaching and consulting in both public and private schools. Rozlyn is also a wife and mother of two boys, and Conscious Discipline has become a way of life for her both personally and professionally.

While teaching preschool at Georgia State, Rozlyn received her introduction to Conscious Discipline. She read the Conscious Discipline book and immediately began implementing the powers, skills and structures in her classroom. She developed a Conscious Discipline Action Team (CDAT) in one of the largest Head Start agencies in the state of Ohio and lead the agency through full implementation, including in their Behavioral and Mental Health program. She has received awards and recognition nationally for Language, Literacy and SEL, and she has co-authored articles in nationally recognized Early Childhood journals.

More recently, Rozlyn led her agency through the implementation of a state-awarded \$1.2 million Literacy grant.
