

Ron Mohl

Ron Mohl brings over 20 years of experience in the education industry to his position of Lead Educational Presenter for Lakeshore Learning Materials. In this role, Ron presents to school districts, public and private institutions, Head Start programs, and military bases across the country.

By focusing on the importance of play in the learning process, Ron's high energy trainings help educators enrich curricula related to language development, math, science, music and diversity. He gets his message across by using humor, experience and his giant smile.

Ron frequently presents at state, regional and national conferences. He also partners with educators to develop customized program-based trainings, where he aligns targeted learning materials to the criteria of Environment Rating Scales, Head Start Domains and individual state standards. He has contributed educational strategies to military child development centers around the world including London, Italy, South Korea, and Japan.
