Sessions: Thursday, April 23

7:30am-10:30am

FLIP IT! Overview and Four Steps Strategy (Full Day)

Session Code: T1FlipIT

FLIP IT is a four step behavior strategy rooted in developing emotional awareness in order to increase emotional control. This strategy works to reduce challenging behaviors in children ages 3-8. FLIP IT can be used with multiple children at the same time during minor challenges throughout a day or used as a targeted intervention that can support the emotional growth of a child displaying specific behavior concerns.

Presenter: Marci Masters

Age Focus: PRE, SA

Main Topic: Guidance/Challenging Behaviors

Building a Strong Foundation

Session Code: T13

The Director of Hamilton Local Preschool will outline how the school district established, implemented, and continues to support a strong academic preschool program. Our program infuses academic, social emotional, and literacy enrichments activities that earned a 5 Star rating from Ohio Department of Education and Ohio Department of Job and Family Services. Come and discover how you can enhance your current program or start a new one.

Presenter: Jan Strahm

Age Focus: PRE

Main Topic: Language and Literacy

CQ CommUNITY CQ=Cultural Intelligence An Ongoing Journey of Growth

Session Code: T15

This session looks at the journey of a district team as they commit to increasing the cultural intelligence (CQ) and equitable practices of the district staff, students and community. During this session attendees will have the opportunity to engage in activities to reflect on their own cultural intelligence to consider areas for further exploration to support the children and families they work with in the early childhood setting.

Presenter: Kristin VanCuren Koester

Age Focus: T, PRE, SA

Main Topic: Diversity & Equity

8:30am-10:00am

Activating the Mathematical Mind

Session Code: T12

The mathematical mind is in every child. Offering children order, precision and exactness through the manipulation of materials allows them to better understand their environment which is built on a mathematical foundation. Encouraging a positive experience in mathematics lays a foundation to experience the satisfaction of learning through self-discovery. This session will provide a concrete way to teach math and walk away with ideas and resources to implement in your classroom.

Presenter: Kristi Lethenstrom

Age Focus: PRE, SA

Main Topic: Mathematics

Building Systems for Successful Programs

Session Code: T14

Participants in this session will be introduced to the P.L.A.N. framework for action planning. We will explore how to develop processes and then organize those processes in order to streamline the operations of your child care business. Discover how to build a systemization action plan to support successful program operations.

Presenter: Patrick Frueh

Age Focus: ALL

Main Topic: Program Administration/Evaluation & Financial Management

Early Childhood State and Federal Policy Update 2020

Session Code: T16

Explore resources to ensure you stay up-to-date on the latest early childhood policy news to best advocate for state and federal investments and policies that impact those working in Ohio's child-serving systems and the families and children impacted by those systems.

Presenter: Julia Hohner

Age Focus: ALL

Main Topic: Public Policy/Advocacy

Sessions: Thursday, April 23

8:30am-10:00am con't

Five Habits of Highly Effective Early Childhood Leaders

Session Code: T17

In this interactive session we will discuss the five habits that highly effective early childhood education leaders exhibit that can improve daily operations and practices in an early childhood education business. We will examine the need for a continuous quality improvement plan, constructive versus destructive feedback and completing staff evaluations as a prerequisite for leading high performing teams.

Presenter: Robert Gundling

Age Focus: ALL

Main Topic: Program Administration/
Evaluation & Financial Management

Getting Started: Using Assessment to Raise Your Quality

Session Code: T18

Are you new to GOLD® and interested in learning more? Get a guided tour of the new MyTeachingStrategies™ platform: its features, its functionality, and how to navigate within it. You will discover how it can help you observe children with the curricular objectives in mind, understand what children know and can do and where they need to go next, and use that understanding to plan meaningful experiences that are appropriately challenging for individual children and your group.

Presenter: Teaching Strategies

Age Focus: I/T, PRE

Main Topic: Curriculum

Learn the Signs, Act Early: Supporting Children through Developmental Monitoring using Family Engagement

Session Code: T19

Learn the Signs, Act Early is an initiative from the Center for Disease Prevention and Control. This program aims to improve early identification of children with autism and other developmental disabilities so children and families can get the services and support they need. Participants will learn to use these resources in combination with family engagement to utilize developmental monitoring to celebrate milestones and help link children to the support they need.

Presenter: Deanna Kropf

Age Focus: ALL

Main Topic: Assessment of Young
Children

Measuring Classroom Quality with OCOT: The Ohio Classroom Observation Tool

Session Code: T110

In this session, an overview of the Ohio Classroom Observation Tool (OCOT) used in the SUTQ rating process will be provided. Included in the session will be how these indicators align with the Early Learning and Development standards. This session would be beneficial for all early childhood program staff regardless of participation in SUTQ.

Presenter: Jennifer Perkins

Age Focus: ALL

Main Topic: Assessment of Young
Children

Music, Movement and Science: Wow, this is Fun!

Session Code: T111

**Featured
Session**

Music and movement are powerful tools to introduce young children to the world of science. Music and movement is a powerful emotional experience that promotes accelerated learning and long-term retention, while creating a deeper interest in science. Young children will make science connections while also developing motor coordination with songs such as *Itsy Bitsy Spider*, *Down by the Bay*, *Brown Bear Brown Bear*, *Five Little Ducks*, and *Did You Feed my Cow?*

Presenter: Mike Longoria

Age Focus: ALL

Main Topic: Music and Movement

NAEYC Accreditation and QRIS: Better Together

Session Code: T112

**Featured
Session**

Should child care quality be measured on a national level? Join the National Association for the Education of Young Children's Senior Director of Accreditation of Early Learning Programs as she answers this question and many more. Come prepared to learn about the numerous benefits of national accreditation and how it compliments Step Up to Quality.

Presenter: Kristen Johnson

Age Focus: ALL

Main Topic: Professionalism,
Leadership
& Ethics

Sessions: Thursday, April 23

8:30am-10:00am con't

New Opioid Crisis: How Did We Get Here?

Session Code: T113

Participants in this session will examine the contributing factors to the current opiate epidemic. Participants will be challenged to think about their systems of care and how to approach this issue from a transdisciplinary approach.

Presenter: Kelly Pack

Age Focus: ALL

Main Topic: Trauma Informed Care

Supporting Children Who Color Outside of the Lines – How Do We Ignite Children's Creativity?

Session Code: T114

Featured Session

How do we ignite children's creativity? This presentation will discuss what discourages children from being creative and identify practices that support environmental and curriculum ingredients to nurture creative development.

Presenter: Dan Hodgins

Age Focus: ALL

Main Topic: Creative Development

Young Learners who are Deaf/Hard of Hearing or Blind/Visually Impaired

Session Code: T115

In this session you will learn what a child who is blind/visually impaired or deaf/hard of hearing needs to fully participate at home, in school, and in the community. Discover specific evidence-based strategies to increase access to learning, including educational and assistive technologies.

Presenter: Jennifer Govender

Age Focus: ALL

Main Topic: Children with Disabilities

PBIS: Easy Ways for Better Days (Supporting Infants and Toddlers)

Session Code: T116

This session will discuss evidence based practices needed to prevent challenging behaviors within infant and toddler settings by creating nurturing and responsive relationships between staff and children, supportive environments and embedding social supports within classroom routines. Appropriate strategies to manage infant and toddler behaviors such as biting, stealing toys and tantrums will be examined.

Presenter: Alleiah Keeley

Age Focus: I/T

Main Topic: Guidance/Challenging Behavior

10:45am-11:45am

Keynote: Deshauna Barber

Keynote

Power and Excellence through Resilience

Session Code: Keynote1

Deshauna has made it her life goal to encourage, inspire, and strengthen the people around her! She will inspire you never to lose sight of the impact you have on the children in your care. Discover the influence one teacher had on her ability to develop resiliency strategies, tenacity, and to never give up while reaching for her goals. You will leave empowered to focus on developing your resilience to achieve balance in your professional and personal life.

1:00pm-2:30pm

FLIP IT! Overview and Four Steps Strategy - FULL DAY

Session Code: T2FlipIT

Continuation of morning session. See Thursday, 7:30am session for more info.

Do We Only Want Happy Children? Helping Children Develop Anger Releases

Session Code: T21

Featured Session

Anger often is discouraged. This session will assist participants in the development of positive ways for children to express their anger. Take back effective strategies that encourages children to express all feelings in positive ways.

Presenter: Dan Hodgins

Age Focus: PRE

Main Topic: Guidance/Challenging Behaviors

Essential Elements for Designing an Inclusive Classroom

Session Code: T22

Through engaging activities, discussion, and knowledge sharing, participants will explore the various components of a high-quality early learning environment, including: characteristics of a high-quality inclusive environment, DAP, the importance of play, Universal Design, Universal Design for learning, and least restrictive environments. Additionally, participants will explore specific strategies and supports to enhance the classroom environment.

Presenter: Lynnette Klejka

Age Focus: ALL

Main Topic: Early Intervention/Inclusion

Sessions: Thursday, April 23

1:00pm-2:30pm con't

Exploring Gender and Gender Expression in Young Children (Part 1)

Session Code: T23

Participants in this session will explore the definitions and concepts of gender, gender identification and gender development, while examining the child's perspective in the development of gender identity. The concept of gender identity and expression from the perspective of parents, who may be having difficulty with their child's gender choices will also be addressed. Take back strategies to support children in the classroom in the area of gender identity and development

Presenter: James Flynn

Age Focus: ALL

Main Topic: Diversity & Equity

Improving Kindergarten Readiness by Using Classroom Management Techniques based on the "Connections Theory" by Dr. Brene Brown

Session Code: T24

According to the "Connections" theory introduced by author and researcher Dr. Brene Brown, we are all "wired for connections." Attendees of this workshop will learn procedures and practices designed to help teachers and students have stronger connections that will help students have higher self-esteem and stronger emotional readiness to learn.

Presenter: Christine Desanti

Age Focus: I/T, PRE

Main Topic: Curriculum

"Let's Play Principal..." (Still Teaching in the 'Key of Life')

Session Code: T25

Featured Session

A total participation celebration of simple and effective ways to magically turn your program or school into a loving community of learning. Like a family! How do administrators shape the climate, mission, and spirit of a program? This session invites administrators of early childhood programs to share (through active experiences) ideas that turn policies into realities. The responsibility for such a challenge is in your hands (and in your heart). Be ready to move and be moved!

Presenter: Mimi Brodsky Chenfeld

Age Focus: ALL

Main Topic: Professionalism, Leadership & Ethics

Looking Through a STEM Lens

Session Code: T26

Learn ways to nurture curiosity and encourage children to develop problem solving skills, create and test hypotheses and learn STEM concepts through play and exploration. Participants will learn how to foster STEM as a mindset by focusing on the process not just outcomes. We will discuss the benefits of STEM for helping children develop skills across the content areas.

Presenter: Aimee Marting

Age Focus: T, PRE

Main Topic: Science/STEM

Sing and Sign: Bring Joy to Education!

Session Code: T27

Featured Session

SSinging and signing engage young children in meaningful and exciting multi-language experiences. Singing songs is a powerful way to be introduced to a language while developing confidence and fluency. Signing (ASL) serves as the bridge that connects the three languages within our brain. Research findings state that integrating ASL into your literacy component accelerates letter and sound identification while promoting and motivating the natural love for reading. Music—and movement—bring JOY to education!

Presenter: Mike Longoria

Age Focus: T, PRE, SA

Main Topic: Music and Movement

Self-Care for Teachers: Techniques for Becoming the Best Version of Yourself

Session Code: T28

The Devereux Center for Resilient Children studies resiliency and protective factors in both young children and adults. This training looks at protective factors for teachers to help prepare them for stressful situations and anything that comes their way. Setting the foundations for good self-care can prevent teachers from experiencing burnout. To take good care of others one must first take care of themselves.

Presenter: Troy Hunter

Age Focus: I/T, PRE

Main Topic: Professionalism, Leadership & Ethics

Sessions: Thursday, April 23

1:00pm-2:30pm con't

Strengthening the Foundation: Building Children Up Using Their Strengths (Part 1) K-3
Session Code: T29

This training focuses on supporting school age children's social emotional development through the use of the 40 Developmental Assets. A connection will also be made between how ACEs impacts children and their education, as well as how the 40 Developmental Assets can help support those children. Participants will be able to take away practical strategies that they can use to support and help their children build these skills.

Presenter: Brittany Jackson

Age Focus: SA, K-3
Main Topic: Social-Emotional Development

The Elephant in the Room: Trauma in the Workplace
Session Code: T210

Whether from tragic life events, trying to survive on a next-to-nothing salary, or compassion fatigue many early childhood educators are silently suffering from trauma. It doesn't have to be this way! This session equips participants with the tools to identify trauma in adults and create "trauma-informed workplaces", resulting in lower staff turnover and greater job satisfaction.

Presenter: Adrianna Howard

Age Focus: ALL
Main Topic: Trauma Informed Care

The State of Babies Yearbook: Where Do Babies Stand
Session Code: T211

Featured Session

Where do babies across the nation and in Ohio stand? The new State of Babies Yearbook 2020, to be released in April by ZERO TO THREE, provides the answer. The state of America's babies is critical – it's when we lay the foundation for our future workforce. When babies and families have the supports they need, we create innovators, thinkers, and stronger communities. Our shared vision of a prosperous future will be realized only if there is a robust quality of life for babies today.

Presenter: Patricia Cole

Age Focus: ALL
Main Topic: Public Policy/Advocacy

This Could Have Been An Email: How To Create A Staff Meeting Teachers Can't Wait To Attend
Session Code: T212

Learn tips to plan and organize your staff meeting so your adult learners are just as engaged as the children; through hands on activities that get them out of their seats and critically thinking! This session, for center directors and administrators, will require you to move around the room, actively participate, and even get a little silly. You will leave this session with fun new ways to engage your staff and meet learning standards.

Presenter: Joanna Kelley

Age Focus: ALL
Main Topic: Program Administration/Evaluation

Using Higher Order Thinking Skills with Preschoolers
Session Code: T213

Higher order thinking skills are essential for all learners including preschoolers. Participants in this session will gain an understanding of higher order thinking skills using Bloom's Taxonomy. Through large and small group activities discover how to word questions to support higher order thinking and apply to these questioning skills to picture books. Come ready to read, review and reflect.

Presenter: Trisha Prunty

Age Focus: PRE
Main Topic: Language and Literacy

Getting Started: Using Curriculum to Raise Your Quality

Working Together for the Benefit of Our Children

Session Code: T215

This session will provide participants an opportunity to analyze and better understand the value of cultivating empathy for families and children they serve. Techniques to improve communication with families and promote healthy environments that support acceptance over tolerance will be discussed. Leave with an improved ability to understand and share the feelings of another.

Presenter: Mandy Young

Age Focus: All

Main Topic: Family Engagement & Support

"The energy and sense of renewal were amazing! The new ideas I gathered gave me a sense of confidence and helped me push through to the end of the year!!"

2019 Attendee

3:00pm-4:30pm

Circle Time Makeover- Creative Spins on Classic Favorites!

Session Code: T31

Feel inspired with innovative ideas for circle time! Leave this session with practical, creative ideas to easily move and learn together to classic circle time favorites! Come ready to MOVE!

Presenter: Amy Schlessman

Age Focus: PRE

Main Topic: Physical Growth and Development

Common Ground: A Bridges out of Poverty Workshop

Session Code: T32

2 hours | 3:00pm-5:00pm

Bridges out of Poverty is a nationally recognized program with the goal of helping agencies fight the long-term effects of poverty in a meaningful way. By building relationships based on understanding the real experiences of people in poverty, agencies can begin to address barriers in a manner that improves outcomes and sustained self-sufficiency. In this workshop, participants will examine how to make connections and build relationships with the families they serve in order to provide the best early care and learning experience possible.

Presenter: Kristi Kirinch

Age Focus: All

Main Topic: Family Engagement and Support

Communication is a Two-Way Street: Helping Children Become Effective Communicators

Session Code: T33

Communication is a two-way street! Effective communication is one of the most important social skills. Communication is more than just talking. Participants will discuss the three aspects of communication: talking, listening and body language. Interactive activities will be presented to help the participants understand their own communication style. A discussion on how to use strategies and specific activities when designing the temporal, physical and interpersonal environments and how they will support children in becoming effective communicators.

Presenter: Christine Schmidt

Age Focus: ALL

Main Topic: Language & Literacy

Creating A Climate of Composure: Using the Five Steps of Self-Regulation and the Safe Place (Conscious Discipline®)

Session Code: T34

This session will help participants identify brain states, triggers and how to help children self-regulate using the five steps of self-regulation (I Feel, I Calm, I Choose, I Connect, I Solve) and the Safe Place. Leave with a plan to use these strategies in your classroom, with parents and coworkers.

Presenter: Rozlyn Grant

FLIP IT! Overview and Four Steps Strategy - FULL DAY

Session Code: T37

Continuation of the morning and afternoon session. See Thursday, 7:30am session for more info.

Kids Count: Math Across the Curriculum

Session Code: T38

Featured Session

We will explore developmentally appropriate areas of math that can be used throughout the curriculum and the learning environment. Among other areas, we will look at matching, classifying, patterning, sequencing, and measuring and how they can be used to engage children with authentic math experiences.

Presenter: Ron Mohl

Age Focus: PRE

Main Topic: Mathematics

Nature Supports Early Childhood Development and Learning

Session Code: T39

2 hours | 3:00pm-5:00pm

This presentation will explore benefits of nature-based education as well as helping educators see beyond themes and how playful learning in the outdoors can create an environment where all requirements of our job as early childhood educators present themselves naturally. Participants will create a plan to take with them the day of the training.

Presenter: Meredith Florkey

Age Focus: PRE

Main Topic: Nature-Based Education

Ohio Early Childhood Race & Rural Equity 2020

Session Code: T310

Attendees will be given a briefing on the 2020 Ohio Early Childhood Race and Rural Equity follow-up report, "Drafting a New Blueprint for Success." This will include county-specific data on young children, new statewide data disaggregated by race and geography, and more. Participants will have the opportunity to share personal and community experiences reflected in the data and brainstorm program-level, community, and statewide solutions to address inequities for young children.

Presenter: Julia Hohner

Age Focus: ALL

Main Topic: Public Policy/Advocacy

Peak Professionalism and Peace Only a TAP Away!

Session Code: T311

In this session you will learn Emotional Freedom Technique (Tapping) which will uncover unconscious stressors that create our personal biases and societal stereotypes that may adversely impact engagement with staff, children and families. Once stressors are identified you will further use Tapping to lower your stress and rewire your brain and body to not be triggered again by these issues.

Presenter: Tijana Coso

Age Focus: ALL

Main Topic: Professionalism, Leadership & Ethics

Sessions: Thursday, April 23

3:00pm-4:30pm con't

Processing Disorders: Different Routes to Learning STEAM (Pre-K to 3)

Session Code: T312

This presentation provides an overview of the neurological processing disorders that cause students to struggle with STEAM understanding, play-based activities, and academic classroom content (pre-k to grade 3). Problems to be examined include visual, sensory, and auditory disorders as well as dysgraphia, dyscalculia, and reading disabilities. Techniques to assist these children as well as multiple ways to enhance STEAM learning will be presented. Techniques are appropriate for both children with and without these conditions.

Presenter: Maria Sargent

Age Focus: PRE
Main Topic: Science

Hip-Hop to Rock and Literacy

Session Code: T313

**Featured
Session**

In this interactive session participants will discover how to use songs, music and movement to support literacy development. By incorporating kinesthetic activities with sing-along songs children develop auditory discrimination, vocabulary, fluency, and coordination. Most important of all, it promotes the natural love for reading. Take back strategies to integrate text through song-card, chart tablet, or pocket-chart phrases to nurture confidence in your young readers.

Presenter: Mike Longoria

Age Focus: ALL
Main Topic: Music and Movement

Strengthening the Foundation: Building Children Up Using Their Strengths (part 2) K-3

Session Code: T314

This training focuses on supporting school age children's social emotional development through the use of the 40 Developmental Assets. Participants will be able to take away practical strategies that they can use to support and help their children build these skills.

Presenter: Brittany Jackson

Age Focus: SA, K-3
Main Topic: Social-Emotional
Development

Understanding Attachment and the Separation Process

Session Code: T315

2 hours | 3:00pm-5:00pm

Through role-play and case discussion, participants will explore the crucial role that attachment has in the learning process and how children and parents respond to separation. In addition, participants will identify strategies that they can use to help parents and children remain emotionally connected, especially when preparing children for care in an out-of-home program.

Presenter: Karen Goulandris

Age Focus: ALL
Main Topic: Social/Emotional
Development

What are the Top 3 Reasons Early Childhood Teachers Leave the Profession in Ohio?

Session Code: T316

This session is designed from a qualitative research project to gain perspective on teacher turnover in early childhood educational settings. Participants will engage in a round table discussion with prompts from recent research completed in Ohio on teacher turnover in ECE settings. Teachers, administrators, directors, and program coordinators are encouraged to join the conversation. Leave with a new vision for hiring novice teachers and developing individual training programs to meet all new teachers at their level of development and areas of opportunities.

Bonus Sessions

5:00pm-6:30pm

Preventing the Extinction of Childhood

Session Code: TBonus1

Featured Session

Do you remember playing “hide go seek” as a young child? Did you take a class to learn how to play this game? In this session we will identify the benefits of play and discuss why it is disappearing. Come and learn how to play again!

Presenter: Dan Hodgins

Age Focus: ALL

Main Topic: Child Development and Learning through Play

THE MAGIC OF MUSIC:

Release the Stress, Calm the Room, Focus the Energy!

Session Code: TBonus2

Featured Session

In this inspiring, hands-on, and fun workshop, award-winning musician, songwriter and music educator Kira Willey will teach you how to incorporate music, rhythm and song seamlessly into your classroom in order to completely engage (and keep!) children's attention, create predictable, calming structure, boost mindfulness, and help children focus and learn. Kira will demonstrate her teaching methods using original music from her five award-winning CDs of kids' yoga songs, as well as playing live. Attendees will have a blast while being guided to create their own rhythm games, call & response activities, and songs to use in their own classrooms! There's absolutely no musical experience necessary—Kira's an expert at making these techniques immediately accessible for everyone.

Presenter: Kira Willey

Age Focus: ALL

Main Topic: Music and Movement

Wine and Canvas Party

7:30pm | \$35

Join Ohio AEYC and Discount School Supply for a fun and relaxing evening with the perfect pair: art and wine! A fun, social, group setting, with an artist to guide you step by step in replicating the nights' featured painting. By the end of the evening you will create a fabulous piece of artwork to take back home with you! No painting experience necessary! We provide everything you need including the artist/teacher, canvas, paint, brushes, easels, aprons and most importantly, one glass of wine (or other drink). Cash bar also available onsite.

Space is limited!

Murder Mystery :

TOTALLY 80'S, TOTALLY MURDER
7:30pm | \$10

Join Ohio AEYC and Kaeden Publishing for a "killer" good time! This murder mystery party is a themed event where attendees are encouraged to dress up to match the 80's era (not required though!). Attendees will then work together to solve a fictitious murder which occurs during the party. This event is often compared to a live-action version of the game Clue! Grab your most righteous '80s concert gear to rock out in style while you solve a crime with your friends. Jean jackets and spandex leggings, big hair, bangles, leg warmers, and ripped jeans will be all the rage at this rocking night of mystery. *See you there!*

Cash bar will be available.

Sessions: Friday, April 24

7:00am-7:45am

YOGA

Session Code: FYOGA
Non-Credit

Start your day with a gentle and adaptive morning yoga class. Class will begin with a brief meditative breath series, designed to awaken your senses and bring peace to your spirit. A series of poses will be practiced, designed for everybody, no matter where you are in your yoga practice. The poses practiced will be meant to awaken and stretch your body, readying yourself for the day. Yoga mats encouraged.

Presenter: Nancy Fisher

Age Focus: ALL

7:35am-10:30am

Trauma Informed Care in Early Intervention (Full Day)

Session Code: FTraumaFULL

Understanding the role of trauma informed care in early childhood is vital to children and families. By becoming "trauma-informed" professionals will recognize that people have often experienced many different types of trauma. Those who have been traumatized benefit from support and understanding from those around them. This professional development opportunity is focused on educating communities and professionals about the long-lasting impact of trauma.

Presenter: Marci Masters

Be Clear and Be Consistent: Strategies for Positive Behavior K-3

Session Code: F11

Featured
Session

In order to have a successful summer camp program, we must first establish clear rules, consequences, routines, and procedures. During this training, participants will learn strategies to be proactive rather than reactive to set their campers up for success. We will learn how to promote positive behavior, encourage team building among campers, and develop a positive character in each child while they have fun at summer camp!

Presenter: Ron Mohl

Age Focus: SA, K-3
Main Topic: Social/Emotional
Development

Building Resiliency with Joy: Evidence Based Training to Address ACEs in Early Childhood Care & Education

Session Code: F12

This presentation will include an overview of the science behind attachment and play, and its ability to prevent the negative effects of childhood adversity and toxic stress. Participants will leave the session with an individualized joyful plan for infants, toddlers and preschool children to embed into their curriculum planning.

Presenter: Benjamin Kearney

Age Focus: ALL
Main Topic: Trauma Informed Care

Conscious Discipline©- The Basics

Session Code: F13

Need help with classroom management and teaching children the social-emotional skills they are missing? This is an introduction session on the Conscious Discipline classroom model. Learn the Conscious Discipline Brain State Model and how to become aware of children's brain states and reasons behind their behaviors.

Presenter: Ava McNemar

Main Topic: Curriculum

Dual Language Learners: Support Strategies for Birth to 5

Session Code: F17

Using the Planned Language Approach Model, participants will learn about evidence based strategies that support Birth to five dual language learners and debunk myths related to DLL. Participants will acquire and apply new knowledge on how to transfer instructional strategies for Birth to 5 DLL children.

Presenter: Melissa Romero

Age Focus: I/T, PRE

Main Topic: Language and Literacy

Essential Elements for Successful Inclusion

Session Code: F18

Have you ever struggled to include a child into the everyday routines of your classroom? To truly create an inclusive environment, a classroom must embrace children of varying abilities, delays, or who are medically fragile. Ingredients for a successful recipe include: Exploring your attitude, defining what true inclusion involves, resolving myths, and the realistic expectations regarding people with disabilities.

Presenter: Tricia Streharsky

Age Focus: ALL

Main Topic: Children with Disabilities/Early Intervention/Inclusion

Finding Your Happy Place In and Out of the Classroom: Healthier for You and the Families and Children You Serve

Session Code: F19

Do you ever feel like you are stressed out just holding on to get through the day? Come learn how to identify the physical and emotional reactions that children, families, and teachers display when they are on stress overload. Stress not handled well can have negative effects but stressed identified and minimized can energize your day.

Presenter: Marie Economos

Age Focus: ALL

Main Topic: Professionalism, Leadership & Ethics

FUN: That was the BEST Class Ever! K-3

Session Code: F110

Connect with each child in their learning style - make learning FUN again! Allow our students to get up and dive into their learning, drawing connections through the arts and technology. No more memorizing material. Spin the teaching into engagement for all.

Presenter: Chad Malcolm

Age Focus: SA, K-3

What Can the Infant/Early Childhood Mental Health Consultant Do for You?

Session Code: S116

This session will define and describe the value of early childhood mental health consultation and how this supports young children and their families. The session is designed to clarify the essential knowledge, skills, roles, and responsibilities of the mental health consultant. The appropriate audience is for early learning professionals seeking to understand more about Early Childhood Mental Health Consultation. This training is not intended for those seeking the Early Childhood Mental Health Credential.

Presenter: Marci Masters

Age Focus: I/T, PRE

Main Topic: Social and Emotional

Team: Create a Healthy One

Session Code: S115

Let's talk about teams! How do we create them in early childhood organizations, centers, classrooms, and our own families? This session will investigate the essential aspects of a team and provide guidance to developing healthy teams in your personal and professional lives.

Presenter: Renee Johnson

Age Focus: ALL

Main Topic: Professionalism, Leadership & Ethics

Zen & the Art of Early Childhood Education

Session Code: S117

Featured Session

Laugh, cry and cheer as we reflect together on why we choose play, why we choose anti-bias work and why we choose to give young children meaningful learning experiences. What does it mean to place ourselves in positions of service? How do we balance our humanity and our professionalism in an ever-changing world? How are we community builders? This session will provoke your thinking, engage your emotions and nourish your spirit!

Presenter: Richard Cohen

Age Focus: ALL

Main Topic: Professionalism, Leadership & Ethics

Sessions: Saturday, April 25

Keynote: Steve Gross

10:45am-11:45am

Keynote

The Power of Optimism

Session Code: Keynote4

Optimism matters. An optimistic disposition enables us—through every day and extraordinary struggles—to look for the goodness in ourselves, in others, and in the world around us. For educators working with our most valuable resource, children and youth, optimism is a critical tool and a pathway to healing. This inspiring keynote helps educators discover the power of optimism to create safe, joyful, engaging environments where kids can grow, heal and learn.

1:00pm-2:30pm

Bouncing Back: How Resilient Are You?

Session Code: S22

In this interactive session, you will learn the meaning of resilience, calculate your own resiliency score and understand why self-awareness is vital to your role as an early childhood educator! You will also explore five ways to nurture your resilience to improve yourself personally and professionally.

Presenter: Maria Spencer

Age Focus: ALL

Every Teacher's Best Friend: MUSIC!

Session Code: S24

Featured Session

In this session Red Grammer will engage teachers in discovering how music can joyfully uplift and improve the functioning of most every aspect of their classrooms: Setting classroom standards of behavior; building classroom community; adding excitement to curriculum; aiding content retention; building vocabulary; helping challenged readers; offering brain breaks/transitions; reducing stress; deepening relationships with parents. No musical talent required.

Presenter: Red Grammer

Age Focus: I/T, PRE, SA

Main Topic: Music and Movement

Family Engagement: A Five Protective Factor Approach

Session Code: S25

The Strengthening Families framework is a research-informed approach to increase family strengths, enhance child development, and reduce the likelihood of child abuse and neglect. This session explores the protective factors of the framework and how to implement them in an early childhood program. We know family engagement is important but how do we do it? Participants will discover how to build meaningful family engagement and how to ensure each family event aligns to the five protective factors from the framework.

Presenter: Brittany Kinstler

Age Focus: ALL

Main Topic: Family Engagement and Support

Sessions: Saturday, April 25

1:00pm-2:30pm con't

Growing Up Wild Session Code: S26

Growing Up WILD is an exciting, hands-on workshop that will leave you with a multitude of ideas and information on how to integrate wildlife and the environment into your regular lessons in an inclusive preschool classroom or any classroom setting. Participants will receive the Growing Up WILD guide which includes over 25 lessons designed to lead children through activities that incorporate science, reading, art, math, music and more in a fun, hands-on way. All lessons have been correlated to NAEYC, Head Start and Ohio Early Childhood Content Standards in both science and social studies.

Presenter: Stephanie Bettac

Risk-Taking Through Play

Session Code: S214

While many adults may be risk-averse, children need to experience and experiment with risk in order to learn about themselves, their peers and the world around them. Through anecdotes, videos, and photos, the presenters will share how The School for Young Children in Columbus, the model school for the parenting book by Heather Shumaker, *It's Okay Not to Share*, supports children as they take risks, and supports teachers as they grow to be comfortable with those risks.

Presenter: Susan Roscigno

Age Focus: T, PRE

Main Topic: Play

The Psychology Behind Challenging Behaviors (Part 1)

Session Code: S216

This unique workshop blends the worlds of psychology and early childhood to help participants understand why children (and adults) behave the way they do. We'll take a deep dive into classroom behavior and look at how the brain develops and influences behavior. Attendees will walk away with a better understanding of why the children are doing what they are doing as well as insights into their own reactions. Concrete strategies for helping children through challenging behaviors will be provided.

Presenter: Jenni Jacobs

Age Focus: ALL

Main Topic: Guidance/Challenging Behavior

1:00pm-2:30pm con't

Retaining Staff through Quality Improvement (NAEYC Accreditation)

Session Code: S212

Learn how placing more emphasis on developing and supporting staff through quality improvement leads to increased staff morale, greater retention and an overall more positive, energetic work atmosphere. In this session, you will examine the characteristics, competencies and the types of professional development opportunities that should be included in your Program Professional Development Plan.

"Hello World!" –Embracing and Celebrating Diversity through Music and Movement

Session Code: S36

**Featured
Session**

All children have a need to be seen and have their self-concept nourished. In our increasingly interconnected world our students come from a broader range of cultural backgrounds than ever before, presenting students and teachers with the opportunity of developing an open hearted and embracing stance to those different than themselves and skills that enrich, expand and nourish the lives of all involved. Participants will discover how to use music and movement, humor and play to orient their classrooms into a lively, resilient posture of lifelong cultural learning and awareness.

The "Art" of Effective Discipline

Session Code: S311

Effective discipline is truly an art! Creativity and ingenuity are needed to discipline children effectively. This session is designed to give you practical tools of handling classroom disruptions, inappropriate behavior and keeping children focused on the task at hand. It is essential to focus on creating a positive environment and using positive communication techniques. This interactive session provides participants the necessary tools to think creatively and establish an environment where learning is fun and exciting for children.

Presenter: Renee Johnson

What's Love Got to Go with Teaching Early Childhood?

Session Code: S314

In this session we will answer the question "what's love got to do with teaching early childhood?" by discussing the concepts of the *Five Love Languages of Children* by Gary Chapman, *I Love You Rituals* by Becky Bailey and *Have You Filled a Bucket Today?* by Carol McCloud. With a brief introduction of each author's concept, participants will look at how these ideas impact children's development and learning, as well as classroom interactions, relationships with families and relationships with co-workers. Participants will take back ideas on how to implement each of these concepts in their classroom.

Presenter: Carrie Shockey

Age Focus: ALL
